Carrier's maximum carrier cargo liability for loss, damage or delay with respect to any shipment originating outside Mexico with ultimate destination in Mexico or any shipment originating within Mexico with ultimate destination outside Mexico, is limited as noted within Carrier's tariffs, including but not limited to OD Rules 100, Item 594, Section 3. Carrier shall have no liability of any kind for any Mexican carrier(s) involved in the move for loss, damage or delay while shipment is in the possession of the designated brokers, freight forwarders, or Mexican carrier(s). Optional higher levels of carrier cargo liability are available from Carrier by following the terms outlined under the OD Rules 100, Item 574. Carrier shall in no event be liable for loss of profit, income, interest, attorney fees, any special, incidental or consequential damages.

RECEIVED and mutually agreed by the Shipper, his assigns and any additional party with an interest to any of said property hereto and by the Carrier of all or any of said property over all or any portion of said route to destination. That every service to be performed hereunder shall be subject to the National Motor Freight classifications (NMF 100 Series) including the Rules, packaging, the Uniform Bill of Lading Terms and Conditions, applicable regulations of the US Department of Transportation (DOT), ATA Hazardous Materials Rules Guide Book, Household Goods Mileage Guides, Carrier's tariffs (including OD Rules 100), Carrier's pricing schedules, terms, conditions and rules maintained at Carrier's general offices all of which are in effect as of the date of issue of this Bill of Lading. Shipper certifies that the consigned merchandise is properly weighed, classified, described, packaged, marked, labeled, destined as indicated, in apparent good order except as noted (contents and conditions of contents of packages unknown), and in proper condition for transportation according to the DOT and the NMF 100 Series. Furthermore, Shipper expressly agrees that, with respect to the portion of the services rendered in Mexico, such services shall be subject to relevant Mexican regulation for the packaging, classification, handling and transport of Hazardous Materials, in accordance to all applicable Official Mexican Norms (Normas Oficiales Mexicanas), the Law on Roads, Bridges and Federal Motor Transport (Ley de Caminos, Puentes y Autotransporte Federal) as well as any other applicable regulation therein ("Mexican Hazmat Regulations"). Moreover, Shipper undertakes to provide (prior to the start of the corresponding service and in the terms, deadlines and formats agreed upon between the parties), the correct and complete information regarding the cargo necessary for the issuance of the relevant tax documents by Mexican carriers (such as the corresponding invoice and the Complement Bill of Lading), in accordance with the current Miscellaneous Tax Resolution (Resolución Miscelánea Fiscal) in force in Mexico. Shipper acknowledges and accepts that neither OD nor the Mexican carriers shall be liable for any breaches in Services when and if such breaches derive directly or indirectly from the inconsistency, error, non-adequacy or lack of information provided by Shipper, or the non-compliance of Shipper to Mexican Hazmat Regulations, and shall indemnify and hold OD free from any fine, claim and / or liability that they may incur for any such breaches or non-compliance. Carrier (Carrier defined throughout this contract as meaning any person or corporation in possession of the property under this contract) agrees to carry to said destination if on its route, otherwise to deliver to another carrier on the route to said destination. Shipper 1) warrants it has read all applicable contract(s) or Carrier's applicable tariff(s), including OD Rules 100, and the limitation of liability provisions set forth therein; and 2) has actual knowledge of and accepts the contract or tariff terms, including the limits on carrier liability.
