Old Dominion Opens Service Center in Kings Mountain

Expansion of Charlotte location, allows for greater coverage of N.C. region

KINGS MOUNTAIN, N.C. (May 12, 2016) — Today, Old Dominion Freight Line, Inc. officially opens its newest service center, a 61-door facility located just off I-85.

The Kings Mountain Service Center, located at 604 Innovation Drive in Kings Mountain, NC 28086, is an expansion of the Charlotte service center.

The Thomasville, N.C.-based less-than-truckload (LTL) carrier, which is over 80 years old, has nine service centers in North Carolina. Terminals are located in or near the cities of Wilmington, Fayetteville, Wilson, Durham, Ashville, Hickory, Charlotte and Greensboro.

"With the opening of this 11-acre state-of-the-art location, we will have additional resources to help us continue delivering premium service," said Gerry Broadwell, OD regional vice president of the Mid-South. "These premium services -- domestic LTL, global, expedited and household moving -- enable Old Dominion to exceed customer's expectations and help them keep promises."

Due to rapid growth in the Charlotte market, the Kings Mountain expansion became necessary to continue to assure premium service to customers. The newly renovated service center will serve the area west of the Catawba River from Charlotte.

The Kings Mountain Service Center provides premium service to a number of cities in the area, including Kings Mountain, Shelby, Forest City, Rutherfordton, Gaffney, Blacksburg, Clover, York, Rock Hill, Chester, Great Falls, Gastonia, Belmont, Mount Holly and Stanley.
