## odfl.com Standard Rate Estimate

---

Learn how to quickly obtain standard 559 rate estimates! If you are a registered odfl4me customer, be sure to see our Customized Rate Estimate demo.

The standard rate estimate tool is available to everyone; however, our customized rate estimate tool allows you to obtain estimates based on your rates. Just register as an odfl4me customer to take advantage of this tool.

odfl4me registration information is provided at the end of this demo.

Above ODFL On Demand reference number must appear on your Bill of Lading for this shipment.  
Also write in the body of the Bill of Lading "ON DEMAND" service requested, with authorized signature.  
This is an estimate of Freight Charges based on the information given at the time of the estimate. Such estimates are furnished as a convenience to the shipping public and represent nothing more than an approximation of the Freight Charges and are not binding on either Old Dominion or the customer. All Freight Charges on a shipment will be assessed on the basis of published Tariff provisions in effect at the time of shipment. An expedited coordinator will give you exact delivery times and charges when the shipment is confirmed. An Expedited representative will call you shortly.

**Your Estimate -- Thank you for choosing Old Dominion!**

✔ Rate Estimate Reference Number = 11460392  
 Above ODFL reference number must appear on your Bill of Lading for this shipment.  
 This is an estimate of Freight Charges based on the information given at the time of the estimate. Such estimates are furnished as a convenience to the shipping public and represent nothing more than an approximation of the Freight Charges and are not binding on either Old Dominion or the customer. All Freight Charges on a shipment will be assessed on the basis of published Tariff provisions in effect at the time of shipment.
