Text Captions: A confirmation screen will appear, verifying the file you requested.
The amount of time required to process and mail your file can vary, depending on how many requests are in our system, and volume of network traffic.
If you have not received the file after two hours, please check your junk mail folder.
You may also have to add unsubscribe@odfl.com to your list of approved senders, or ask your company's e-mail administrator to allow email from that address.

Slide 7

Text Captions: When the message arrives in your inbox, the subject line will contain the zip code you requested.

And the CSV file will be attached.

Because of the large amount of data, these files can be quite large (this example is 3 MB).

If you have a large amount of mail in your Inbox, your email client may reject the message, and you may have to delete old messages from your Inbox and submit your request again.
