OLD DOMINION FREIGHT LINE, INC. TO OPEN SERVICE CENTER IN PORTLAND, MAINE

Jersey City, New Jersey (May 13, 2005) - Mark Madden, Vice President of the Northeast Region at Old Dominion Freight Line, Inc., announced the May 16th opening of a service center in Portland, Maine. The new 28 door service center is situated on 4 acres located at 185 Rand Street in Portland. Operations begin with a staff of 8 managed by Cliff Spear.

Commenting on the opening, Madden said: "The opening of this new service center will allow Old Dominion to increase its coverage in the northeast. We are very excited to introduce Old Dominion's unique transportation solutions to the State of Maine."

Old Dominion Freight Line, Inc. is a leading less-than-truckload (LTL) super regional carrier providing one to five day service among five regions in the United States and next day and second day service within these regions. Through its nonunion work force and four operating groups, OD•Domestic, OD•Expedited, OD•Global and OD•Technology, Old Dominion offers an array of innovative products and services that provide direct service within the United States to 43 states within the Southeast, South Central, Northeast, Midwest and West regions of the country, including 32 states with 100% full-state coverage and international services around the globe. Visit Old Dominion on-line at www.odfl.com.
