**OLD DOMINION FREIGHT LINE, INC.
TO OPEN NEW SERVICE CENTER IN COLORADO SPRINGS, COLORADO**

Rialto, California (December 31, 2004) - Chuck Powell, Vice President of the Central Region for Old Dominion Freight Line, Inc., announced the planned opening of a new service center in Colorado Springs, Colorado. The new 14 door service center is to open around January 3rd, 2005 and will be situated on a 5 acre site at 851 South Sante Fe in Fountain, Colorado.

Commenting on the opening, Powell said: "Expectations are that the Colorado Springs Service Center will allow Old Dominion to improve service in Southern Colorado and put us closer to the Colorado Springs market."

Old Dominion is a leading less-than-truckload (LTL) super regional carrier providing one to five day service among five regions in the United States and next day and second day service within these regions. Through its nonunion work force and four operating groups, OD•Domestic, OD•Expedited, OD•Global and OD•Technology, Old Dominion offers an array of innovative products and services that currently provide direct service within the United States to 40 states within the Southeast, South Central, Northeast, Midwest and West regions of the country, including 29 states with 100% full-state coverage and international services around the globe.
