**OLD DOMINION FREIGHT LINE, INC.
NOW PROVIDING COMPLETE COVERAGE TO
MINNESOTA, NORTH DAKOTA AND SOUTH DAKOTA**
Through A Partnership With Magnum Transportation

Thomasville, North Carolina (January 5, 2005) - Old Dominion Freight Line, Inc., one of the Nation's largest LTL trucking firms, announced the company is now offering complete coverage in Minnesota, North Dakota and South Dakota. Old Dominion has developed a partnership agreement with Magnum Transportation and will operate through 10 "partner service centers" located throughout the 3 states. Through the partnership arrangement, Old Dominion will provide single carrier responsibility, single carrier billing and apply its own direct pricing program.

According to Vice President of National Accounts, Marketing & Education, Chip Overbey, Old Dominion expects to vastly improve its coverage in the upper Midwest, providing overnight service to major cities in Minnesota, North Dakota and South Dakota.

Magnum Transportation, based in Fargo, North Dakota, is an asset-based Logistics company offering truckload, less-than-truckload (LTL), logistics and warehousing services in the upper midwest.

Old Dominion Freight Line, Inc., is a leading less-than-truckload (LTL) super regional carrier providing one to five day service among five regions in the United States and next day and second day service within these regions. Through its nonunion work force and four operating groups, OD•Domestic, OD•Expedited, OD•Global and OD•Technology, Old Dominion offers an array of innovative products and services that provide direct service within the United States to 43 states within the Southeast, South Central, Northeast, Midwest and West regions of the country, including 31 states with 100% full-state coverage and international services around the globe.
