APPLICATION OF TARIFF

1. This tariff applies only in connection with tariffs, contracts, contract schedules or government rate tenders making reference to this tariff as a governing tariff.
2. When a rule published in a tariff making reference to this tariff covers the same service as a rule published in this tariff, such rule published in the tariff making reference hereto will apply, to the extent of its application, in lieu of the rule published in this tariff.

For explanation of abbreviations, notes and reference marks, see Item 15000.
