The additional rate or charge in this Item will be shown separately on the Carrier's freight bill as an "ARBITRARY CHARGE" and will be based on the actual class ratings applicable to the commodities shipped and not on any Exception or FAK ratings.

NOTE A--When a rate is not shown for a weight group shown in this item, apply the rate for the next lower weight group for which a rate is shown.

NOTE B--To determine rates for classes higher than Class 100, apply the applicable class rating as a percentage of the applicable Class 100 rate.

(EXAMPLE: The Class 125 rate for a shipment weighing 500 pounds would be 125% of the Class 100 rate shown for Weight Group M5C in this item).

For explanation of abbreviations, notes and reference marks, see Item 15000.
