ITEM 151

APPLICATION OF LINE-HAUL RATES

Unless specifically indicated otherwise, line-haul rates in publications governed by this tariff include only:

1. One (1) pickup and loading at one (1) site of freight placed immediately adjacent to the vehicle or placed immediately adjacent to a parking space suitable for the carrier to place the vehicle for loading.
2. Transportation of the shipment from the original origin shown on the bill of lading to the original destination shown on the bill of lading at the time of pickup.
3. One (1) delivery, or one (1) tender for delivery, of the shipment at the destination and site shown on the bill of lading at the time of pickup.
4. Unloading the shipment at the site shown on the bill of lading at the time of pickup at a place immediately adjacent to the rear of the vehicle (See Item 750 for provisions governing the loading and unloading of heavy or bulky freight).

Services, other than those described above, when requested or required, may be provided only if there are specific provisions for such additional services in this tariff or the tariff governed by this tariff. Charges shown in this tariff or the tariff governed by this tariff for such additional services will apply in addition to all other charges applicable to the shipment.
