

TARIFF ODFL 100 – O

Effective 3/2/2020

ITEM 361 – BILLS OF LADING – FAK OR “FREIGHT, ALL KINDS” SHIPMENTS

The shipper must identify the specific commodity on the bill of lading for all transportation moving under FAK rates. If the shipper fails to identify the specific commodity, Carrier will not be liable for any damages to or destruction of the commodity resulting from transportation on the same trailer with other freight that is either incompatible with or is prohibited by federal, state or local laws and regulations from being co-loaded on the same trailer with the commodity moving under the FAK rates.
