ITEM 764 – PRECEDENCE (PRIORITY) OF PRICING PROGRAMS

(See NOTE(S))

1. When on shipments for which specific pricing is applicable for the shipper, consignee and/or third party (See NOTE B), the applicable pricing published specifically for the account of the payor of the freight charges will apply.
2. When on prepaid third party shipments (See NOTE B), if there is no specific pricing published for the account of the third party, the pricing published specifically for the account of the shipper will apply if applicable.
3. When on collect shipments if there is no specific inbound pricing published for the account of the consignee, the pricing published specifically for the account of the shipper will apply if applicable and if it produces lower charges than any generally applicable pricing that may apply for the consignee.

NOTE A - As used in this item, "Pricing," "Pricing Program" or "Specific Pricing" means any rates (other than full class rates) or charges, discounts, allowances or other means of determining final charges, published to apply for a specific account or accounts.

NOTE B - If the third party payor is a Logistics Company, Consultant or similar type entity that is paying freight charges for another party, the pricing published specifically for the Logistics Company, Consultant or other entity, or for the party they represent, will apply, unless specific instructions to the contrary are received from the beneficial owner of the goods.
