

TARIFF ODFL 100 – O

Effective 3/2/2020

ITEM 995-1 – COMPUTATION OF BEYOND CHARGES AND/OR COMBINATION OF RATES

For any shipment requiring prior or subsequent movement beyond the contiguous forty-eight (48) states that requires a combination of rates to determine total freight charges from origin to destination, such beyond charges or combination of rates will be computed at the actual shipment weight and for the actual amount of cubic space the shipment requires.
