COMMODITY DESCRIPTION

To ensure assessment of correct freight charges and avoid infractions of federal and state laws, customer or shipper is required to acquaint themselves with the proper description of articles for the commodities being shipped in accordance with the NMFC. Failure to list class or description defaults to class 100. Abbreviated descriptions are permitted provided the NMFC item number and appropriate sub number are shown on the bill of lading. Carrier reserves the right to inspect the contents of packages and weigh the shipment to verify shipper has recorded accurate descriptions and weights on the bill of lading. In the event Carrier determines the commodities have been incorrectly described, customer will be liable for the freight charges based on the correct descriptions and weights and determined by Carrier. (See NMFC 100 Series item 250100; ODFL 100 Series items 170, 360, 361, 367, and 994.)

FAILURE TO MAKE A TIMELY PAYMENT OF CHARGES (ITEM 564)

Carrier must receive full payment of freight charges within 42 days from the original invoice due date to avoid payer being charged an assessment of liquidated damages in an amount equal to 35% of the unpaid receivable.

MINIMUM CHARGE FOR LOW DENSITY FREIGHT (ITEM 610-1)

1. Shipments less than 3 pcf and requiring between 350 and 749 cubic feet, or
